- ✓ STAR+ PLUS Kids
- ✓ Medicaid
- ✓ Others

### Home Health (Skilled Nursing)

- ✓ Skilled nursing
- ✓ Physical, occupational, speech therapy
- ✓ Home Health Aides
- ✓ Medical Social Workers
- ✓ And more

## Helpful Information

Hospice care often improves the quality of life and does not hasten the dying process. Hospice is a program of palliative care consisting of medical, social, and support services

### Goals:

- ✓ Assist the patient in living completely and in comfort by providing pain control
- ✓ Create custom plans for the medical, emotional, and spiritual support of the patient and family
- ✓ Provide the patient the highest quality of life possible
